## **STATEMENT OF RESPONSIBILITIES OF THE NATIONAL EXECUTIVE COMMITTEE**

The legislation relating to trade unions requires the Union to submit a return for each calendar year to the Certification Officer. This return contains accounts which must give a true and fair view of the state of affairs of the Union at the year end and of its transactions for the year then ended. The financial statements set out on the following pages have been prepared on the same basis and are used to complete the return to the Certification Officer.

In relation to the Nationwide Group Staff Union these requirements to prepare financial statements that give a true and fair view is the responsibility of the National Executive Committee. The National Executive Committee is responsible for preparing the financial statements in accordance with applicable law and the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). In so doing the National Executive Committee is required to:

- Select suitable accounting policies and then apply them consistently.
- Make judgements and estimates that are reasonable and prudent.
- State whether applicable accounting standards have been followed.
- Prepare the financial statements on the going concern basis unless it is inappropriate to do so.

The National Executive Committee is responsible for keeping proper accounting records and establishing and maintaining a satisfactory system of control over its records and transactions in order to comply with the Trade Union and Labour Relations (Consolidation) Act 1992 (Amended). They are also responsible for safeguarding the assets of the Union and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**REPORT OF THE INDEPENDENT AUDITOR  
TO THE MEMBERS OF THE  
NATIONWIDE GROUP STAFF UNION**

**Opinion**

We have audited the financial statements of the Nationwide Group Staff Union ("The Union") for the year ended 31 December 2020 which comprise the Income and Expenditure account, the Statement of Comprehensive Income, the Balance Sheet, the Statement of Cash Flows and notes to the financial statements, including a summary of the significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- Give a true and fair view of the state of the Union's affairs as at 31 December 2020 and of its income and expenditure for the year then ended; and
- Have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Union in accordance with the ethical requirements that are relevant to the audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the National Executive Committee's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Union's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the National Executive Committee with respect to going concern are described in the relevant sections of this report.

**Other information**

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The National Executive Committee is responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**REPORT OF THE INDEPENDENT AUDITOR  
TO THE MEMBERS OF THE  
NATIONWIDE GROUP STAFF UNION**

**Matters on which we are required to report by exception**

The Trade Union and Labour Relations (Consolidation) Act 1992 (Amended) requires us to report to you if, in our opinion:

- A satisfactory system of control over transactions has not been maintained; or
- The Union has not kept proper accounting records; or
- The financial statements are not in agreement with the books of account; or
- We have not received all the information and explanations we need for our audit.

We have nothing to report in this regard.

**Responsibilities of the National Executive Committee**

As explained more fully in the Statement of Responsibilities of the National Executive Committee, the National Executive Committee is responsible for the preparation of financial statements and being satisfied that they give a true and fair view, and for such internal control as the National Executive Committee determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the National Executive Committee is responsible for assessing the Union's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the National Executive Committee either intends to liquidate the Union or to cease operations, or have no realistic alternative but to do so.

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

As part of our planning process:

- We enquired of management the systems and controls the Union has in place, the areas of the financial statements that are mostly susceptible to the risk of irregularities and fraud, and whether there was any known, suspected or alleged fraud.
- We obtained an understanding of the legal and regulatory frameworks applicable to the Union. We determined that the following were most relevant: FRS 102 and the Trade Union and Labour Relations (Consolidation) Act 1992 (Amended).
- We considered the incentives and opportunities that exist in the Union, including the extent of management bias, which present a potential for irregularities and fraud to be perpetuated, and tailored our risk assessment accordingly.
- Using our knowledge of the Union, together with the discussions held with the Union at the planning stage, we formed a conclusion on the risk of misstatement due to irregularities including fraud and tailored our procedures according to this risk assessment.

**REPORT OF THE INDEPENDENT AUDITOR  
TO THE MEMBERS OF THE  
NATIONWIDE GROUP STAFF UNION**

The key procedures we undertook to detect irregularities including fraud during the course of the audit included:

- Identifying and testing journal entries and the overall accounting records, in particular those that were significant and unusual.
- Reviewing the financial statement disclosures and determining whether accounting policies have been appropriately applied.
- Reviewing and challenging the assumptions and judgements used by management in their significant accounting estimates, in particular in relation to the valuation of unlisted investments.
- Assessing the extent of compliance, or lack of, with the relevant laws and regulations.
- Testing key revenue lines, in particular cut-off, for evidence of management bias.
- Performing a physical verification of key assets.
- Obtaining third-party confirmation of material bank and loan balances.
- Documenting and verifying all significant related party balances and transactions.
- Reviewing documentation such as minutes of meeting and confirmation from solicitors for discussions of irregularities including fraud.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements even though we have properly planned and performed our audit in accordance with auditing standards. The primary responsibility for the prevention and detection of irregularities and fraud rests with those charged with governance of the Union.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

**Use of our report to the members of The Union**

This report is made solely to the Union's members, as a body. Our audit work has been undertaken so that we might state to the Union's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Union and the Union's members as a body, for our audit work, for this report, or for the opinions we have formed.

# **NATIONWIDE GROUP STAFF UNION**

## **ACCOUNTING POLICIES**

### **YEAR ENDED 31 DECEMBER 2020**

#### **Union Information**

The principal place of business for the Union is Middleton Farm House, 37 Main Road, Middleton Cheney, Oxfordshire, OX17 2QT, United Kingdom.

#### **Accounting Convention**

The financial statements have been prepared under the historical cost convention, modified to include equity investments and investment property held at fair value, and follow all applicable Accounting Standards.

These financial statements for the year ended 31 December 2020 are prepared in accordance with FRS 102, the Financial Reporting Standard applicable in the UK and Republic of Ireland. The disclosure requirements of section 1A of FRS 102 have been applied other than where additional disclosure is required to show a true and fair view.

The financial statements are prepared in sterling, which is the functional currency of the Union. Monetary amounts in these financial statements are rounded to the nearest £.

Trade Unions are governed by the Trade Union and Labour Relations (Consolidation Act) 1992 (Amended). Under that Act the accounts of Trade Unions are required to give a true and fair view. Therefore, the accounts of the Union are prepared under FRS102.

However, as a Trade Union is not a company the Regulations that form the basis of disclosures under FRS102 have been adopted as considered necessary to ensure the accounts give a true and fair view to the members of the Union.

#### **Going Concern**

The National Executive Committee has considered the effect of the Covid-19 outbreak. The National Executive Committee considers that the outbreak is likely to cause a minor level of disruption to the Union's business. However, the National Executive Committee is confident that the Union can continue as a going concern for a period of at least twelve months from the date of approval of these financial statements. The National Executive Committee has a reasonable expectation that the Union has adequate resources to continue in operation for the foreseeable future.

#### **Subscriptions**

Subscriptions are accounted for on an accruals basis.

#### **Cash and cash equivalents**

Cash and cash equivalents include cash in hand and deposits held at call with banks.

## **NATIONWIDE GROUP STAFF UNION**

### **ACCOUNTING POLICIES**

**YEAR ENDED 31 DECEMBER 2020**

#### **Basic financial assets**

Basic financial assets, which include trade and other receivables and cash and bank balances, are initially measured at transaction price including transaction costs.

#### **Other financial assets**

Other financial assets, including investments in equity instruments which are not subsidiaries, are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value recognised in the income and expenditure account, except that investments in equity instruments that are not publically traded and whose fair value cannot be measured reliably are measured at cost less impairment.

The investment property has been valued internally by the National Executive Committee.

#### **Basic financial liabilities**

Basic financial liabilities, including trade and other payables, are initially recognised at transaction price unless the arrangement constitutes a financing transaction. Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of the business from suppliers. Accounts payable are classified as current liabilities if payment is due within one year or less. Trade payables are initially recognised at transaction price.

#### **Commission Income**

Insurance Scheme Commission is accounted for on a cash received basis. Other commissions are accounted for on an accruals basis.

#### **Defined Contributions Pension Plan**

Contained within administrative and service to member staff costs are fully paid defined pension contributions totalling £107,171 (2019: £111,304).

#### **Termination Benefits**

Termination benefits are recognised immediately as an expense when the union is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

## **NATIONWIDE GROUP STAFF UNION**

### **ACCOUNTING POLICIES**

#### **YEAR ENDED 31 DECEMBER 2020**

##### **Tangible Fixed Assets**

Tangible fixed assets are initially measured at cost and subsequently measured at cost, net of depreciation and any impairment losses.

Depreciation is provided on all tangible fixed assets (except freehold land) at rates estimated to write off the cost of each asset on a straight line basis over its expected useful life as follows:

Freehold building	-	2% per annum
Office equipment	-	10% per annum
Computer equipment	-	25% per annum

##### **Intangible Fixed Assets – Website**

Intangible fixed assets are initially measured at cost and subsequently measured at cost, net of amortisation and any impairment losses.

Amortisation is provided at rates estimated to write off the cost of the website on a straight line basis over its expected useful life which is deemed to be 4 years.

##### **Investment Property**

Investment property, which is property held to earn rentals and/or for capital appreciation, is measured using the fair value model and stated at its fair value as at the reporting end date. The surplus or deficit on revaluation is recognised in the income and expenditure account. The investment property was disposed of during the year.

##### **National Conference**

The costs of the biennial National Conference are accounted for over two years by providing for in advance and not solely in the year that the National Conference occurs.

##### **Employee Benefits**

The costs of short-term employee benefits are recognised as a liability and an expense, unless those costs are required to be recognised as part of the cost of fixed assets.

Termination benefits are recognised immediately as an expense when the Union is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

## **NATIONWIDE GROUP STAFF UNION**

### **ACCOUNTING POLICIES**

#### **YEAR ENDED 31 DECEMBER 2020**

##### **Charitable Fund**

At the Nationwide Group Staff Union Conference 2005, delegates voted for the Union to set up and maintain a Charitable Fund, allowing the Union to make charitable donations recognising the Union's wider responsibility to the national and international community.

##### **Current Taxation**

Corporation tax is payable on all interest income, rental income and chargeable gains arising on the disposal of properties and investments but only to the extent that these exceed expenditure on provident benefits.

##### **Deferred Taxation**

Deferred tax liabilities arise in relation to the difference between the fair value of properties and investments and their original cost less any indexation applicable.

Deferred tax is calculated at the tax rates that are expected to apply in the period where the liability is settled or the asset is realised. Deferred tax is charged or credited in the income and expenditure account.

The Union has adopted a reinvestment policy whereby all realised proceeds on disposal of properties and investments are reinvested into other chargeable assets, thereby eliminating any current tax liability and thereby the need for the recognition of a deferred tax liability. Where the proceeds are not fully reinvested no current tax liability is considered likely to arise due to expenditure on provident benefits exceeding any chargeable gains that might arise.

##### **Judgements and Key Sources of Estimation Uncertainty**

In the application of its accounting policies, the Union is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. All significant estimates and underlying assumptions are reviewed on an on going basis and the relevant carrying amounts of assets and liabilities are revised to reflect any changes.

As at 31 December 2020 the carrying amounts of the following assets and liabilities were subject to judgement or to estimation uncertainty:

- Reliable estimates of the fair value of unlisted investments are not available and thus they are valued on the basis of the latest purchase offer.
- The fair value of the Union's investment property cannot be directly observed and thus it is valued as per the publicly available market value at the time.
